Dear Honorable Judge,

I am Thomas Gilbert's mother. I suffer from several on-going health problems that often cause swelling and pain in my joints. My son helps me with many of the daily tasks that I am unable to complete on my own. I use a rolling walker to assist me with walking. I often need help getting in and out of the shower and getting dressed and ready for work. He helps me in and out of my car. He goes to get me food or helps prepare my meals. With him being locked up, it's going to create a hardship for my day-to-day life. I will need to try and get my siblings to come help when they are able, but I don't know how often they will be available. Please allow Thomas to be released so that he can still be around to help me.

Thank you,

Helen McCain
